Day/date	Time	SESSION NAME	Speaker name
Programme de la journée thématique MSSG-AFERO 25 et 26 Novembre 2022 à Paris (Réfectoire des Cordeliers)			
Matinée AFERO : session en français			
Vendredi	9h00-11h00	Recommandations HAS de bonne pratique pour la prise en charge médicale de l'obésité de 2e et 3e niveaux	
	11h00- 12h30	Symposiums de l'industrie	
	12h30-14h	Déjeuner	
MSSG Joint meeting with AFERO			
Friday Session 1	13h45-16h	What is insufficient response to metabolic surgery ?	
	Chair	Karine Clément & Laurent Genser	
	13h45-14h	Welcome	
	14h-14h30	The surgeon vision	Prof Francesco Rubino, London, UK
	14h30-15h	The endocrinologist/diabetologist vision	Prof Emmanuel Disse, Lyon France
	15h-15h20	Clinical Case presentation	Dr Laurent Genser Paris, France
	Chair	Geltrude Mingrone & Karine Clément	
	15h20-16h	3 "short talks" from abstracts (clinical or else)	
	16h-16h30	Coffee/the break	
Session 2	16h30-18h30	What to do next if response is insufficient ?	
	Chair	Geltrude Mingrone & Muriel Coupaye	
	16h30-17h	Vision of the surgeon	Prof Torsten Olbers, Lund, Sweden
	17h-17h30	Vision of the endoscopist	Dr Manoel Galvao Neto, Sao Paulo, Brazil
	17h30-18h	Vision of the physician (medical treatment?)	Dr Alex Miras, London, UK
	Chair	Dimitri Pournaras & Laurent Genser	
	18h-18h30h	2 short talks from abstract (younger fellows)	
		Gala Dinner (Centre des Cordeliers)	

Saturday			
Session 3	8h30-10h30	Science of metabolic surgery	
	Chair	Carel Le Roux & Martine Laville	
	8h30-9h	Lecture 1 (pathophysiological aspects)	Prof Blandine LaFerrere NYC, USA
	9h-9h30	Lecture 2 (pathophysiological aspects)	Prof Geltrude Mingrone Rome, Italy
	9h30-10h	Lecture 3 (Can we predict responses?)	Dr Judith Aron-Wisnewsky Paris, France
	10h-10h30	2 short talks from abstracts (research abstracts)	
	10h30-11h	Break	
Session 4	11h-13h	Barriers to metabolic surgery implementation	
	Chair	Dimitri Pournaras & Francois Pattou	
	11h-11h30	Vision of the surgeon	Prof Marco Bueter, Zurich, Germany
	11h30-12h	Vision of the diabetologist	Prof Francis Finucan, Galway, Ireland
	12h-12h30	Vision of the regulator	Dr Jean-Charles Lafarge, HAS, France
	12h30-13h	Round table and discussion with the audience	
	13h-14h30	Lunch	
Session 5	14h30-16h	Pitch your research in 8 minutes + 2 min discussion (young investigators)	
	Chair	Alexander Kokkinos & Dimitri Pournaras	
	16h-16h30	Break (the scientific committee decide about prizes)	
Session 6	16h30-17h15	Final lecture	
	Chair	Judith Aron-Wisnewsky & Karine Clement	
	16h30-17h15	Future perspectives: Toward personalized metabolic surgery	Prof Francois Pattou, Lille, France
	17h15	Prize-giving ceremony to young fellow 1 clinical, 1 research	
	20h30	Speaker and organizing committee dinner
